The strategies will (mark all that apply)

- Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

Diagnostic testing will occur within each respective classroom to identify deficiencies in student learning with respect to the Missouri Learning Standards. Once these students are identified, collaboration will take place between the classroom teachers and respective Title 1 teacher to arrange remediation to address the identified deficiencies. Formative and summative assessments will be used to determine the growth of students receiving Title 1 services to determine if additional remediation is required.

- Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

Development of instructional strategies that particularly address dyslexic tendencies of students will strengthen the academic programming across the building regardless of demographics. These strategies will help equip students with the skills necessary to become successful readers which will positively affect student performance in all grade levels and subjects. These strategies may include utilizing the Barton Reading System or some type of Orton-Gillingham based system at all elementary grade levels.

- Increase the amount of learning time

- Extended school year
- Before-and/or after-school programs
- Summer program
- Other
